2001

## **Volunteers needed for FIRST robotics program**

The Education Programs Department is seeking volunteers for the 2002 "For Inspiration and Recognition of Science and Technology (FIRST)" robotics program. High school students team with corporate, government, and university groups to build a robot for competition. A volunteers meeting will be Sept. 13 at 1 p.m. in Bldg. 4200, room 211.

**ISO 9000  
surveillance  
audit, Tuesday-  
Thursday**

**MESA meets  
at 11:30 a.m.  
Thursday in  
Bldg. 4471,  
room C-105**

## **Local weather radar status focus of IEEE meeting Thursday**

The Institute of Electrical and Electronics Engineers (IEEE) will meet from 11:30 a.m.-1 p.m. Thursday at the Redstone Officers' and Civilians' Club. Stephen L. Johnston, an IEEE fellow, will discuss the Huntsville National Weather Service radar situation. Cost for the luncheon is about \$5.95 — cost subject to food selection — plus a \$2 meeting room fee per person. To attend, send an e-mail to or call Sonya Hutchinson at 544-3312.

## **NSSTC hosting seminar**

The National Space Science and Technology Center's Space Science Research Center is hosting a seminar on "Quick-Look Identification and Orbit Determination of a Tethered Satellite." J.E. Cochran, head of the Aerospace Engineering Department at Auburn University, will speak Thursday at 10 a.m. in room 2096 at the NSSTC.
